

THE SERVICES WE OFFER

We're a new-age creative agency empowering brands to create presence, identity, and history.

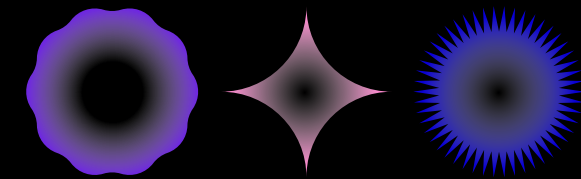

WEBSITE DEVELOPMENT

We build modern, responsive websites that showcase your brand and engage your audience — from business sites to e-commerce platforms, tailored to your goals.

SOCIAL MEDIA PRESENCE

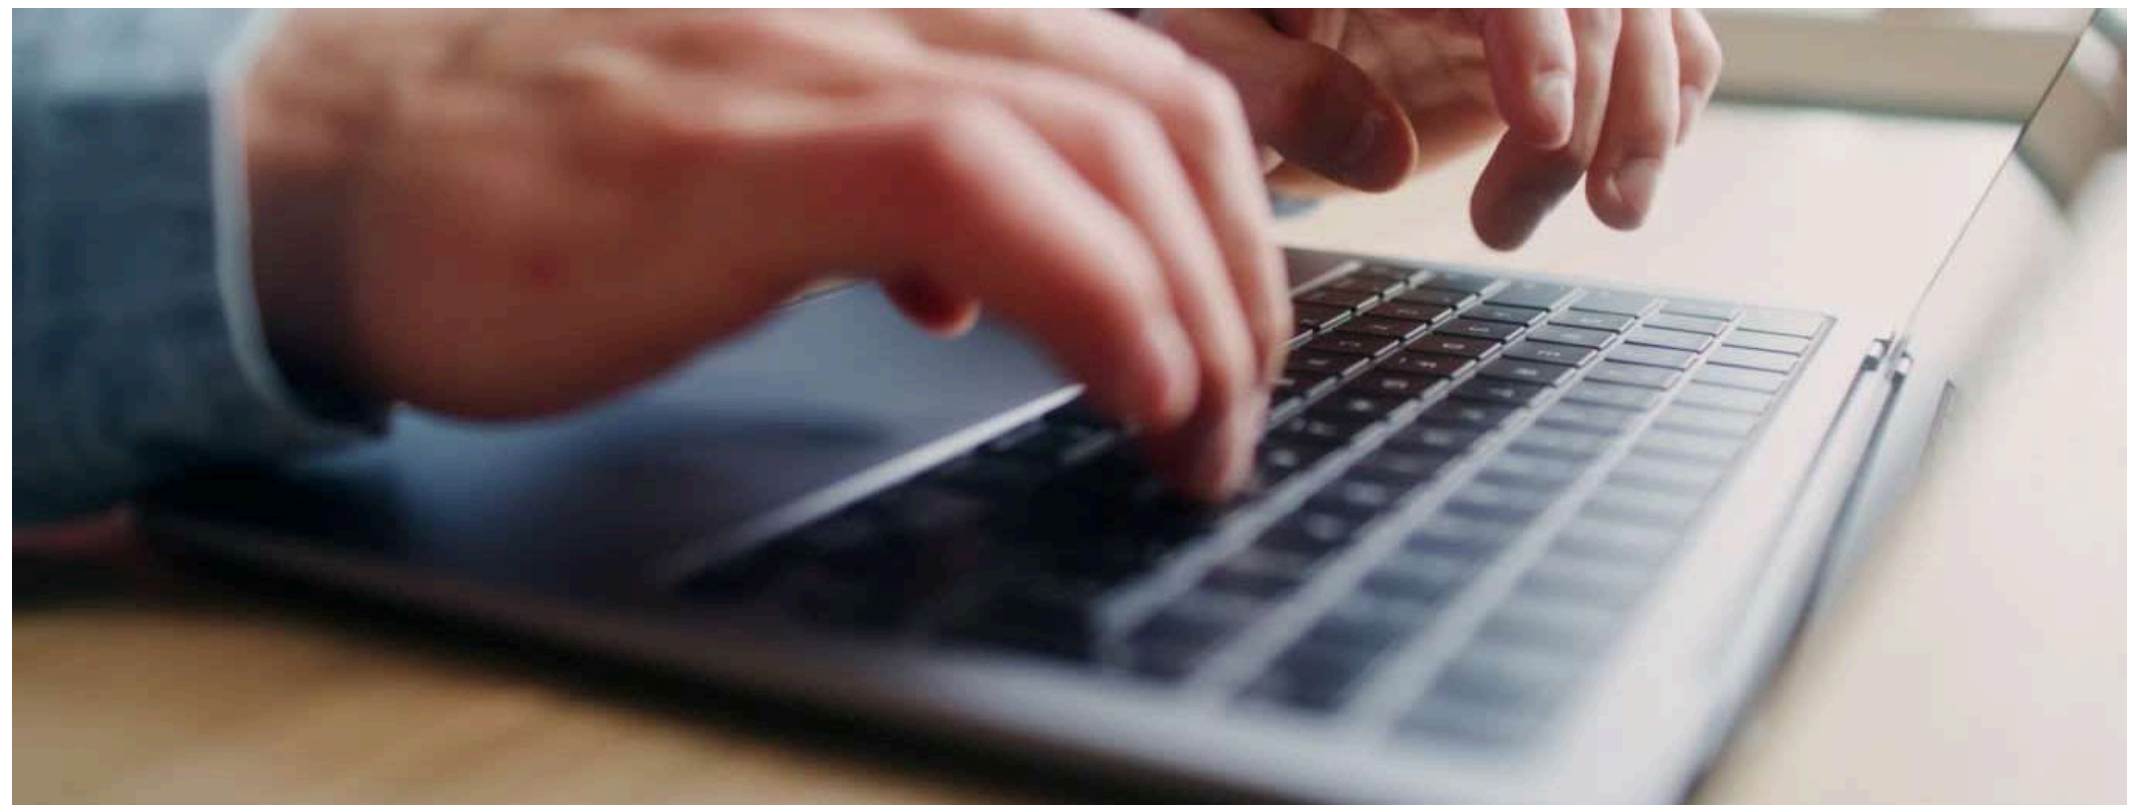

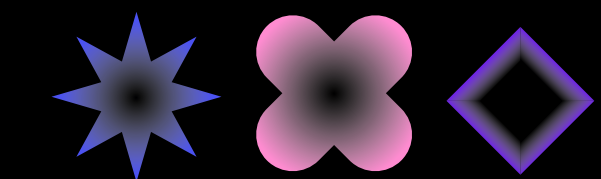

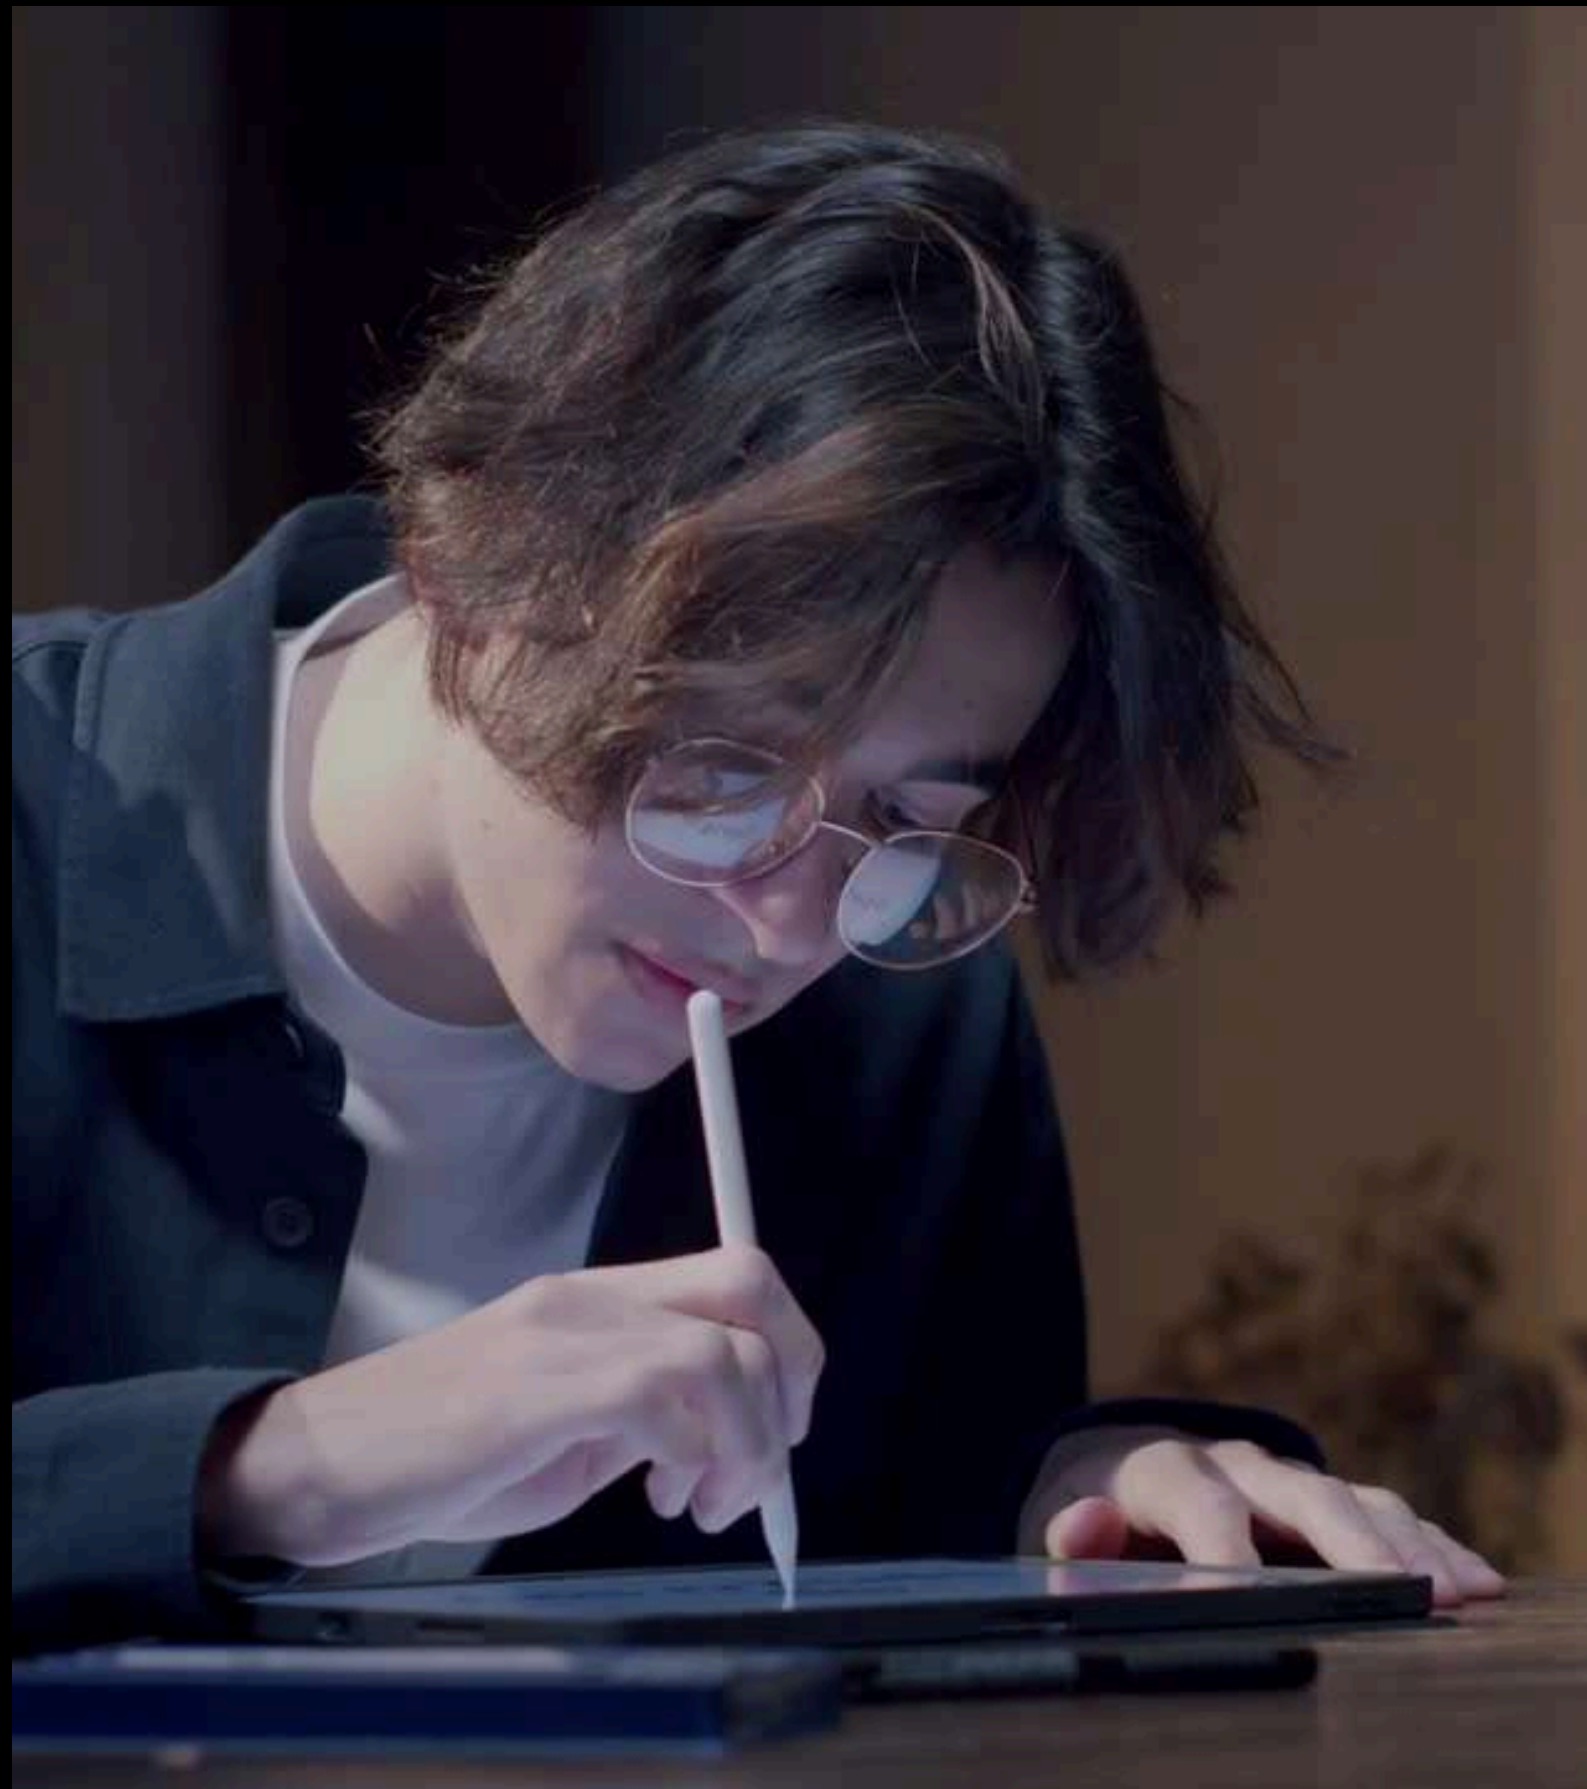

We craft and manage social media strategies that grow your brand's presence and connect you with your audience across platforms.

GOOGLE BUSINESS

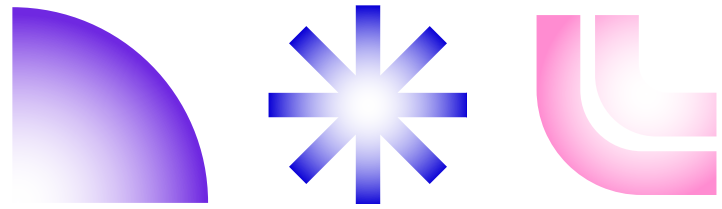

We optimize your Google Business profile to boost visibility, attract local customers, and build trust. From accurate listings to reviews management, we ensure your brand stands out when people search.

AUTOMATION IN BUSINESS

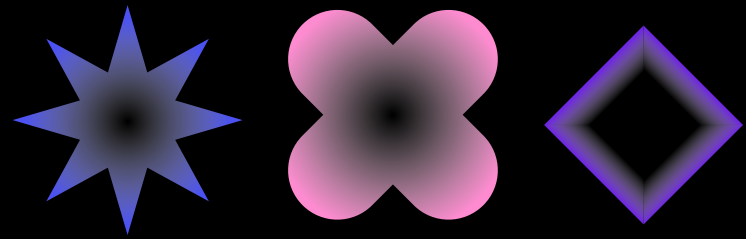

We create automation solutions that streamline processes, reduce manual work, and help your business operate smarter

DIGITAL MAINTENANCE

We provide ongoing website and system maintenance to ensure your digital platforms run smoothly, securely, and efficiently.

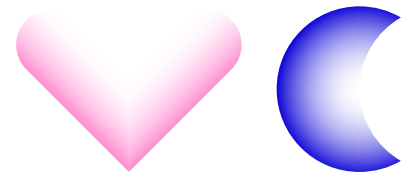

DESIGNING

We create impactful designs—from logos to full brand visuals—that make your brand memorable.

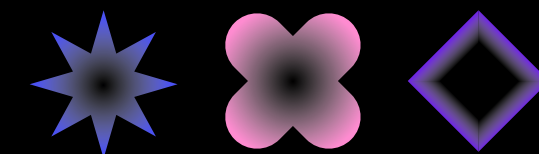

PHOTOGRAPHY

We capture high-quality, visually compelling photographs that showcase your brand, products, and moments with precision and creativity.

VIDEO PRODUCTION

We produce captivating videos that communicate your brand's story, from promotional clips to corporate films and social media content
